Address including postcode:
Email:

Now we'll send you...

- Regular updates, by post or email, on our progress
- A CRSP pin badge
- A CRSP eco-pen made from recycled paper

Why join us?

- By supporting the Cornwall Red Squirrel Project you are helping us bring the native red squirrel back to Cornwall.
- Your membership and donation will help our captive breeding programmes of red squirrels ready for release.

- Your membership and donation will also help remove grey squirrels from two key areas of Cornwall; the Lizard and West Penwith ready for the red squirrels release.
- These areas have been identified by the Red Squirrel Survival Trust as being suitable for red squirrel release.
- Grey squirrels are not native and carry squirrel pox, a virus lethal to red squirrels, and so the two species cannot co-exist.
